### DISCLAIMER

The Management of the Nigerian Communications Commission/Universal Service Provision Fund (USPF) wishes to notify the general public that the USPF, in carrying out its statutory mandate of extending ICT services to institutions in rural, un-served and under-served groups within the community, including but not limited to Tertiary and Sub-tertiary institutions, does not require a potential beneficiary to pay any fee to anybody or entity before their communities or institutions are considered for intervention.

Notice is hereby given that the Commission/Fund has not and would not mandate any person or entity to charge any fee on behalf of the Commission/Fund as a condition for the institution or community to benefit from the intervention of the Fund.

**Please be guided accordingly.**
